Gospel; Luke 17; 5 - 10.
Lord increase our faith!

The disciples say "Increase our faith". So they knew that they were short on faith! Jesus tells them that even faith as tiny as a mustard seed can work wonders. Jesus also tells us the right attitude of a true disciple—to keep the service of God and his kingdom as our focus. It's about the Lord—not us!

A gap in the life of this parish is our care/reach-out to our younger adults—secondary school upwards; a pity because we have a great bunch who come around. Anyone any ideas or expertise?

KNOWING JESUS CHRIST, EMBRACING HIS MISSION

The Parish Co-ordinating Team meets this Wednesday. On the agenda is a report on our Together We Make Maryhill partnership and evaluation of recent events. We will also be discuss how we put our parish synodal response into practice as we plan for the next Church year. (late November) We need to look at the membership of the PCT which has served for a year and we also need to convoke the whole Parish Pastoral Council sometime soon! Watch out for info!

Finance UPDATES

We are expected to have 22 collections during the year for the Archdiocese. To fund car park & renovations we started a weekly 2nd collection. The cost-of-living crisis led the Fabric & Finance team to review this and decided to stop the weekly second collection. We need to have those required by the diocese and are proposing we have an occasional second collection for the renovation fund (still things to be repaired and good to have a 'buffer for unforeseen emergencies.) We also propose to have an occasional collection for the foodbank (rather than ask you to bring foodstuffs). We will notify in advance if there is to be a second collection. Thank you for your ongoing generosity.

October 2nd No second collection
October 9th No 2nd collection
October 16th 2nd collection for parish renovation fund
