Pray our parish always reaches out

Heavenly Father, we thank you for gathering us together and calling us to serve as your disciples. You have given us, through your Son Jesus, the mission of evangelising and witnessing your love to the world. Send your Holy Spirit to guide us as we discern your will for the spiritual renewal of our parish. Amen

Pope Francis invites the entire Church to reflect: "It is precisely this path of synodality which God expects of the Church of the third millennium." This journey follows the Church's "renewal" proposed by Vatican II, both a gift and a task: by journeying together, reflecting together on the journey, the Church will be able to learn through Her experience which processes can help Her to live communion, to achieve participation, to open Herself to mission."
