The Synod of October 2023 is asked to listen deeply to the situations in which the Church lives and carries out its mission. Aiming to become a "listening church," over 400 delegates gather for 3 weeks, open to the Holy Spirit's voice; a voice discerned through the submissions from the global church - including ours in Maryhill! Pray the Spirit will set us aflame

Fabric & Finance news. The church boiler has finally been condemned and needs to be replaced, hopefully soon! (ballpark figure of £8k) Ian McGuigan recently left £5k to the parish for which we are very grateful. Our insurance bill came in for the next financial year and this is £5,500. We were over charged for World Youth Day and have received a rebate of £2,200. We still owe £18,000 to the archdiocese for our levy. The better news is that because of your ongoing generosity and support we are (just about) able to meet these substantial bills, even tho' our reserves are hammered!

Laudate Deum. Ahead of COP 28 Pope Francis issued urgent call to tackle climate crisis in new Apostolic Exhortation. Time running out, irreversible damage already done. www.laudatedeum.church/laudate-deum

Join the call for a ceasefire in Gaza. sign Oxfam's petition calling on the UK government to push for an immediate ceasefire, an end to the siege of Gaza, to allow water, food & fuel; work to secure the release of hostages held in Gaza. Sign at www.oxfam.org.uk/get-involved.
Anti-slavery day, Oct 18th; Illegal Immigration Act stops victims of slavery & trafficking from accessing safety & support, treats victims as criminals & detains in unjust circumstances; say no to detention www.antislavery.org/dignity-not-detention/#petition.

Not Do Nothing. Taking Malawi as a case study SCIAF's new video demonstrates why Loss & Damage is one of the most pressing issues in our world today, and why those who have caused the climate crisis must pay for the damage. www.sciaf.org.uk/resources.

The Scottish Agriculture Bill needs to include targets for reducing use of pesticides & synthetic fertilisers with 75% of public spending on farming used to restore nature, tackle climate change, producing food. Sign up for updates: www.farmforscotlandsfuture.scot

news and events

Parish Team meets this week. Important part of agenda is our new planning calendar (see below). Update on deanery and also on our

Together We Make Maryhill initiative all groups - we need your dates in by end of October. **Hall Management** Iona has done a great job increasing hall use up to 108 events in last 12 months. Means we now need 3 or 4 people to

take responsibility for 'managing' the hall. Anyone? **Altar servers** Thanks to those who remain & do a brilliant job but we would like to invite more young people to join up. We want to encourage older teenage servers and even adults - for Sunday and weekend. Parents - encourage the kids to think about it? Watch out for a date!

Parish & Community Dance planned for end of November - hope you'll support this social get together. Watch this space for info next week.

Retreat day Saturday, 21st October proved to be popular with 55 people here. Thanks to Julie and Iona for liaising with the ISC team who led the day, offering different workshops on styles of prayer. To those who provided lunch etc. - many thanks!
